Knitting the back: Using double pointed needle n. 4 and col. 1776 amaranth, cast on 81 stitches and work in **Two-Tone Brioche Stitch**. At a total height of 26 cm (10,24 in.), for the armhole, bind off at sides 6 stitches once and continue with the same working and the same stitches for 20 cm (7,87 in.). At a total height of 46 cm (18,11 in.), for the shoulders, bind off 14 stitches on each side and leave suspended the remaining 41 central stitches.

Knitting the front: Using double pointed needle n. 4 and col. 1776 amaranth, cast on 82 stitches dividing the work as follow: 39 stitches in **1x1 Rib** with col. 1776 amaranth, 4 stitches in **Two-Tone Brioche Stich**, 39 stitches in **1x1 Rib** with col. 1776 amaranth. From the next row, on each row, decrease the **1x1 Rib** and increase the **Two-Tone Brioche Stitch** (total number

of stitches is always the same). Continue until **1x1 Rib** is finished (we will have two wedges in col. amaranth) and work only in **Two-Tone Brioche Stitch**. At a total height of 26 cm (10,24 in.), for the armhole, bind off at sides 6 stitches once and continue with the same working and the same stitches. At a total height of 38 cm (14,96 in.), for the neckline, bind off the 28 central stitches then continue decreasing at sides 2 stitches every 2 rows twice. At a total height of 46 cm (18,11 in.), for each shoulder, bind off the remaining 15 stitches per side.

Sleeves: Sew the shoulders of the front to the back. For each sleeve, with col. 1776 amaranth, pick up 60 stitches from the shoulder (30 front and 30 back) skipping one stitch every 3 and work in **Two-Tone Brioche Stitch** for 6 rows. Then start decreasing at side 1 stitch every 14 rows, inside the first and last 2 stitches. Continue until you'll have 32 stitches on the needle. Make 1 row of **Reversed Stockinette Stitch** with col. 1776 amaranth and bind off. Make other sleeve as first one.

Finishing: Sew hips and underarms. For the neck, with col.1776 amaranth and needles n. 4, pick up 25 stitches from the center front to the shoulder, the 41 stitches left suspended on the back, 25 stitches on the other half of the neck in front, for a total of 91 stitches. Work in **Brioche Stitch** for 80 rows, leaving the center front open. Using needle n. 4 and col. 1776 amaranth, cast on 27 stitches and work in **1x1 Rib**, decreasing 1 stitch on each side until all the stitches are binded off. Apply this triangle on the opening of the front neck.ottenuto sull'apertura del collo davanti.
