ASSEMBLY AND FINISHING:

Work all seams on the WS.
Place the front over the back with RS facing. Using a tapestry needle and the green yarn, sew the shoulder seams.
Open the joined front and back panels flat. Using pins, position the upper edge of one sleeve along one side edge of the front/back panel, matching the centre of the sleeve to the shoulder seam and placing half of the sleeve sts on each side of the shoulder centre. Sew the edges together using a tapestry needle and the green yarn.
Repeat the same procedure to attach the second sleeve along the opposite side of the front/back panel.
Complete the assembly by sewing the side and underarm seams.
NECKBAND: Using the green yarn held double and 5.5 mm circular needle tips, pick up sts evenly around the front and back neckline. Join to work in the round, place a marker and work 6 rounds in K1, P1 rib. Bind off all sts loosely in pattern.
Weave in all yarn ends. Dampen and block.
