Knitting the Back and the Front: Using needle n. 4 cast on 92 stitches and work in **8x2 Rib**, starting with purl 2, for 36 rows (13 cm/5,12 in.). Start working in **Rough Stitch** increasing 1 stitch in the first row. At a total height of 40 cm (15,75 in.), start 40 new stitches at the beginning and at the end of the row, you will have 173 stitches to work. Continue in **Rough Stitch** for 22 cm (8,66 in.). At a total height of 62 cm (24,41 in.), bind off 60 stitches on each side to perform the shoulders. Continue working the remaining 53 central stitches in **Garter Stitch**, they will form the neck. Work in **Garter Stitch** for 18 cm (7,09 in.), then bind off.

Finishing: Sew the shoulders (including the top of the sleeves) and the neck. For each armhole pick up 106 stitches from the right side and work in **Garter Stitch**. After 4 rows, decrease 3 stitches every 4 rows twice. At a total height of 5 cm (1,97 in.), bind off the stitches. Sew hips and underarms.
