INSTRUCTIONS

NOTE: The garment consists of 4 pieces—the front, back and 2 sleeves—worked separately and joined at the end. The collar is worked after the sweater has been assembled.

BACK:

Using 4.5 mm needles, cast on 69 sts and work 3 cm in garter stitch for the lower border.
Change to 5 mm needles.
Row 1: Knit all sts.
Row 2: Purl all sts.
On the next row, set the sts for Openwork Pattern 2 as follows:
Row 3: Work 26 sts in stockinette stitch, place 1 SM, work Row 1 of Openwork Pattern 2 over the next 17 sts, place 1 SM, then work 26 sts in stockinette stitch.
Row 4: Purl all sts.
Continue as established for a further 78 rows, repeating Rows 1–10 of Openwork Pattern 2 a total of 8 times, until the piece measures 32 cm in total.
Reset the row count and begin shaping the armholes at both edges as follows:
Row 1: Bind off 2 sts, then continue in stockinette stitch over the first and last stockinette sections, while continuing in Openwork Pattern 2 over the centre sts.
Row 2: Bind off 2 sts, then purl the remaining sts.
Rows 3 and 5: Bind off 1 st, then continue as established.
Rows 4 and 6: Bind off 1 st, then purl to the end.
Rows 7–42: Continue as established over the remaining 61 sts.
On the next row, begin shaping the neckline by dividing the work and completing each side separately.
Row 43: Work to the centre purl st of Openwork Pattern 2, then turn, leaving the remaining sts on hold.
Row 44: Bind off the centre st and the next 9 sts, then purl the remaining sts.

Row 50: P8.
Row 51: Bind off the remaining 8 sts loosely.
Return the sts left on hold on Row 43 to the needles and shape the neckline and shoulder to match the first side, reversing all shaping.
